

Maskilon, 4 Volume Set (Hebrew Edition)

The Maskilon series constitutes a comprehensive teaching kit for those venturing into the exciting effort of studying Hebrew. Maskilon I: Dictionary with Verb Roots - Contains verb roots together with their English translations, Maskilon includes commonly used derivatives that help the Hebrew student reach a deeper and more contextual understanding of Hebrew. Maskilon II: Practical Hebrew Grammar - For beginning and intermediate Hebrew students, this is a straightforward, non-technical guide to grammar that is indispensable for everyday speaking, reading and writing. Complete with useful exercises, vowels and pronunciation. Maskilon III: Practical Hebrew Grammar - Contains a list of Hebrew abbreviations and idioms, with their English translations. The grammar table and root descriptions of Hebrew verbs are useful tools for beginning Hebrew and English students. Maskilon IV: English-Hebrew Learners Dictionary - Includes those words that are important during the early stages of learning the Hebrew language, specially presented in a way that connects them to other Hebrew words and reveals their potential from a grammatical point of view.
