

TWILIGHT REALITY: ride upon the wind and dance like a flame across the mountainside

There is a fifth dimension beyond that which is known to man ... a dimension as vast as space and as timeless as infinity. It is the middle ground between light and shadow, between science and superstition, and it lies between the pit of mans fears and the summit of his knowledge. This is the dimension of imagination. The Twilight Zone. Rod Serling The gift of fantasy has meant more to me than my talent for absorbing positive knowledge. Albert Einstein Go Twilight Reality alone or in a group. If alone, get comfortable, relax, read a script, close your eyes, and let happen what happens. If in a group have different people read scripts and notice how the experiences change. If you like background music, try Music of the Pleiades. You may or may not choose to use a candle. For most people candlelight creates a powerful atmosphere that increases the reality of the experiences, but try with and without and find which works better for you. Either lie down or sit in a comfortable chair. First explore moving your awareness between ALPHA and BETA. Much creative work is done toward the ALPHA end of the scale, like when you play the piano, paint a rose, or formulate a new theory. Best to go BETA when you drive a car and evaluate your piano playing, painting, and theory. After you explore ALPHA and BETA do the next Adventure a few times to enjoy the nourishing cookies and delicious tea at The House of Golden Lanterns. Do the rest of the adventures in order or go Zen---quickly look at the possibilities and go with the one that most attracts you. Twilight Reality expands what you can think, feel and become. Dance gracefully back and forth between a free flow of your imagination and emotions, and thinking about what you find. The free flow creates richness and vitality. Words-data-logic processes and integrates the experience. You create a very nice synergistic effect when you use

different areas of your brain by moving back and forth between fantasy and analysis effect, and its fun. As Dr. Seuss said so elegantly: FUN IS GOOD. And so are love, joy, creativity, and wild adventures. At the end of the chapter you learn obvious, common sense ways to create a wonderful life. 1. Explore ALPHA and BETA 2. The House of Golden Lanterns 3. Mind-meld people 4. Mind-meld nature 5. Floating down the river 6. Floating into the sky 7. The Spiral Maze 8. Go ALPHA---Go there 9. Go ALPHA---Go then 10. Explore the world of imagination, and have fun How to guarantee a wonderful life
