

Filipino Tapestry: Tagalog Language through Culture (English and Philippine Languages Edition)

An official language of the Philippines, Filipino is based on Tagalog, with elements of Spanish, English, and Chinese mixed in. The result is a rich, expressive language spoken in the Philippines and throughout the far-reaching Filipino diaspora. Filipino Tapestry offers an innovative approach to learning language by emphasizing the critical intersection of language and culture. It provides activities and exercises that immerse beginning and intermediate students of Filipino in a variety of authentic situations to simulate an in-country experience. Starting with chapters on such topics as family, friends, and home, it then expands the students world in chapters prompting conversation about food, shopping, parties, and pastimes. Its later chapters push learners to discuss city and country life, cultural traditions, religion, history, and politics. Features include: background chapters on phonology, sentence construction, and common expressions photos and cultural notes about chapter themes grammar, reading, listening, and speaking exercises glossaries of words and additional expressions
