

New Writers Combo Pack

Congratulations on beginning your journey as a writer. Its fun, and exciting as well as a lot of work. But its worth it. I hope you enjoy the three books contained in this combo pack. Youve Decided to be a Writer, Now What?, The Big Book of Exercises, Prompts and Block Busters, and Mega-Volt Story Starters. These three books are a great starting point to get you moving down the writing path. Here are the full descriptions of the books contained in the combo pack. Youve Decided to be a Writer, Now What? is your blueprint to your new life as a writer. Ill take you through the basics of writing a story and the technical stuff. Well learn the nuts and bolts of the writers life and familiarize you with the business end of writing. The Basics section covers story structure, point of view, parts of speech, writing dialog, speech tags, punctuation, capitalization, spacing, characters and genre. The Writers Life section covers your writing space, finding your rhythm, making time to write, your writing plan, ready for your rough draft, your draft is done, now what, critique, writing, and goal setting groups, national and local writing associations and organizations. The Business End section covers submitting short stories for publication, cover letters, platform building, e-mail, websites, blogging, facebook, tips for reducing your writing expenses and terms you should know. Congratulations on taking your first step to becoming a writer. Its a fun and exciting journey youre embarking on. Youll have ups and downs but what a fun ride youll have. Big Book of Exercise, Prompts and Block Busters No matter what stage youre in with your writing, its always beneficial to work on craft and technique. Writing Exercises help target common problems and weaknesses. Writing Prompts help get your creative juices flowing. Writers Block happens to all writers. The difference is how you

handle your block. The Big Book gives you valuable exercises, prompts and block busting tools you can use to hone your skills. Mega-Volt Story Starters Jumpstart your next writing adventure with one of over seven hundred story starters in this Mega-volt collection. You'll find dialog and phrases you can use to spark your creativity or use to weave your next story. The possibilities for your imagination are endless.
