Do you want to write a book? Have you always wanted to write a book? Then now is the time. Don't put it off another day. Share your story or expertise with the world. Are you ready to write your book? Let's get started. This eBook came about because I read at least 100 books on how to write a nonfiction book. I would get motivated. I would start writing. Then I would stop. But I never finished any of the books I wrote. At one time, I had 5 or 6 eBooks almost done and 2 physical books that needed to be completed. My goal is to have 100 eBooks on Amazon Kindle best seller list. My goal was to quit my full-time job and pursue my dreams. Based on my research, I knew I could earn \$10,000 a month in passive income with 100 eBooks.

All I had to do was get these books done. I needed an easier way. I wasn't lazy but I needed to get some of my books completed to build my momentum. Based on my research, from each book I would earn \$100 a month, some more, some less, so I needed 100 books at least. I love writing so I could write and write and write. While this doesn't sound like a lot of money, who doesn't want to make money while they sleep. Who doesn't want to escape the rat race. I was doing other stuff, I knew this was a game changer for me. Since I am a big goal setter, I set out to write 2 books a week, for the entire year. I know this book is about 10 ways to write an eBook in 10 days but I needed to push myself. I knew the only way to do this is 1) Set a specific goal 2) Create an action plan. So my goal is to write 100 books by December 31, 2016. I will write 2 books a week. I will measure this by word count and completed books. Since I only wanted to write Monday thru Friday I decided I had to write 4,000 words a day or 4 articles—each at 1,000 words each. After trying over and over and failing miserably, I finally wrote 8 books in 30 days. Then I developed a system in which I can write an eBook fast.
