

The Keys to Forgiveness and Miracle: Secrets of the Sages (Volume 1)

The keys is a powerful manual of never before seen insights into the links between forgiveness and miracles. Forgiveness does not only offer you peace and happiness, it will also give you composure, a faith of purpose, a sense of value, a beauty transcending the world, safety, care, and warmth of unceasing certain protection. Receiving and giving forgiveness can be a huge torn you will remove in your heart once done. So, if you want to remove this huge torn stuck in your heart, looking for the best keys to forgiveness and miracles should be your ideal resort. You will learn the miracles of the Healing Portals as taught by Dr. Akin Merino. Jesus knew that forgiveness provides a soul cleaning. It rids you of impurities that keep you from being fulfilled in both heart and soul. Research shows a direct relationship between forgiveness and healing. You cannot forgive if you stay at the same level as the person who hurt you. You need to rise above. Entering the place of forgiveness requires a major shift of thought. Changing your thoughts and emotions toward a person and event is an incredibly difficult and often painful decision that is doable. Why should you forgive? Simple, forgiveness can be used as a key to your own happiness. It will release you from that painful past. The origin of your pain is comparable to a twisted old tree base that is buried in the innermost part of your heart. However, forgiveness is the one to untie that tangled mess, which eventually helps you let go of the pain. There is great benefit for the forger. You will join forces with divine powers to create an unstoppable harvest in your life. Those who successfully navigate the Healing Portals will go on to become world changers and generational philanthropists.
