

The Facilities of Flexible Rolling Stock for Economically Constructing, Maintaining (Classic Reprint)

Excerpt from The Facilities of Flexible Rolling Stock for Economically Constructing, Maintaining The author of this paper having been called upon lately to advise on the subject, for a branch railway connecting some of the main lines of this country, became convinced of the necessity for something more than at present existed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
